WRITERS AT WORK Model Composition Showcase : Primary 1

Alan was in the living room playing soccer. He kicked the ball a little too hard. It hit a sofa and bounced to the chair and hit Mother's favourite vase. It dropped on the ground and broke into many pieces.

Mother heard a loud crash and she rushed out of the kitchen without knowing what had happened. She was shocked when she saw her favourite vase break into many pieces. Mother was as angry as a bull. She scolded Alan furiously. Alan was ashamed and he apologised to Mother. He promised Mother that he would not do it again.

Lesson learnt

Conall used a simile to describe how angry Mother was. He also included Alan's apology and promise at the end, showing responsibility and a lesson learned. Keep up the excellent work!
